

**4.2****LIFE SHARING NETWORK PROVIDER  
QUALIFICATIONS****POLICY**

Life Sharing Network Providers shall have a set of qualifications and skills that are equal or above the needs of the adult/youth they will be supporting.

**PROCEDURE**

Successful Life Sharing Network Provider applicants and sub-contractors shall be committed to:

- > Support people to have their own homes
- > Provide people with the opportunities to make meaningful choices in their lives.
- > Ensure that people are connected to family and friends.
- > Support people to contribute as fully participating citizens.
- > Build communities where people are welcomed and valued.
- > Encourage and recognize people's contributions to others and their communities.

**GUIDELINES**

Applications to become a Life Sharing Network contractor can be obtained from the Manager or Assistant Manager of Community Development.
