

You are invited to  
**Abundant Life 2010**

An information fair for South Asian families who  
have children with developmental disabilities.

**SPONSORS**

Keynote Speaker: Dr. Geraldine Schwartz, PhD

Topic: A Message of Hope

Dr. Schwartz is a Registered Psychologist in BC and member of the Canadian Register of Health Service Providers in Psychology. She holds an interdisciplinary PhD in Psychology and Education, an MA in Educational Psychology, and a teacher's Diploma, all from McGill University. She has long-term classroom experience from the primary, secondary and post-secondary levels.

This is an excellent opportunity for families to gather information. The day will feature guest speakers who will present on family supports and services across the lifespan. Interpreters will be available throughout the day.

Panel sessions to include:

- 10:45am – Individual Education Planning
- 10:45am – Intellectual Disabilities
- 12:30pm – Supported Employment
- 12:30pm – Autism Family Supports
- 1:45pm – Developmental Pediatrics
- 1:45pm – Adapted Martial Arts

**Date:** April 24, 2010

**Time:** 10am – 3pm

**Place:** Moberly Elementary School  
1000 E. 59th Ave, Vancouver

**Cost:** Free
