

## IMPORTANT MEETING FOR ALL BACI FAMILIES

Tuesday, April 27  
7:00 pm – 8:30 pm

**BACI's Large Education Centre,  
2702 Norland Avenue, Burnaby**

Please come and join us to learn more about the financial landscape of the community living movement, and BACI's plan for navigating these challenging financial times.

Over the next couple of years, we anticipate that BACI will be expected to identify savings within our existing services.

After a brief presentation by Carla Thiessen – CLBC Regional Director, Simon Fraser Region – about **CLBC's Budget Management Plan**, I will discuss our step-by-step plan to address efficiencies.

As always, BACI will weather this storm by remaining true to our values and principles. Our plan will ensure that the health and safety of the people we serve will not be placed at risk. Keeping these values as guidelines during this time is critical, and as we struggle to provide quality service with decreasing government funding, we will look to all our stakeholders for support and feedback.

If you are in need of child care to attend this meeting, please call 604.299.7851, or email [reception@gobaci.com](mailto:reception@gobaci.com) before April 23, 2010.

We're looking forward to a good conversation!
