

This Ability Journal

By Chris Tanner

March 1, 2005:

During the past couple of months, Lorna and I have been meeting with people throughout BACI, learning about what they do and speaking with them about the media project. We have been met with a very warm reception. Everyone has had a lot of questions about the media project and how they can get involved.

The first media workshop begins on March 7, 12:30 – 2:30 pm, in the Large Education Center at Still Creek, 2702 Norland Avenue. Drop in, check out the camera, and participate in our version of “Speaker’s Corner”. For more information on this workshop, please see the “What’s New” section of the BACI website.

We have started filming this week at the Mosaic Tile Class and plan to shoot some more footage during the next class. Do you have something coming up at BACI that you would like to share with us? Let us know and we will try to be there!

We welcome any feedback you have about this media project. Please send any suggestions, questions or concerns to chris.tanner@gobaci.com.
