

Hey Everybody!

May 11, 2010

The Burnaby Association for Community Inclusion Summer Teen program is taking off once again and this year we are designing a great schedule for an exciting summer.

This is the program that offers cool, full-day adventures for Youth with disabilities. The program is a Ministry of Children and Family Development funded service for Teens aged 13 to 18 who live in Burnaby and New Westminster.

Each day we meet in the morning and take public transit to our scheduled locations and regroup again at the end of the day. Our pick up/drop off location is at 3755 Banff Avenue, Amenities building for Filby Court apartment building. It is located off Canada Way, near Royal Oak. It is close to 2 local bus routes. The program will run from 830 to 330pm. This program relies on public transit for the majority of activities. **Teens requiring 1-1 support must provide their own worker.** There is a 1 staff to 5 children ratio.

We have assigned a theme to each week and at the end of the summer we'll have a wrap up event for friends and family to attend.

Our themes include : Arts, Sports, History and Culture, Food Week, Action Week, Nature Week, Entertainment and Science week. Specific Activities could include: photography, tie-dyeing, bowling, go-karts, indoor rock climbing, BC Sports Hall of Fame, Police Museum, tour of Me n Ed's pizza, canoeing, Splashdown, Playland etc.

A final schedule will be available by 4th of June.
